24-months temporary entry of vessels

A visiting yacht is entitled to visit New Zealand for up to 24 months without the need for the yacht to be imported into New Zealand. Simply apply for a Temporary Import Entry (TIE) certificate from New Zealand Customs prior to arrival in New Zealand.

Exempt Goods & Services Tax (GST) of 15%

A visiting yacht entered on a TIE may purchase goods, equipment and services 'zero rated' of GST, if the goods or services are to form part of the yacht and are exported with the yacht.

This also includes berthage costs, repairs or refitting work completed whilst in New Zealand.

NB: The process is simple with the GST not charged at point of purchase on production of the TIE certificate to the supplier of goods or services.

Superyachts 500 gross tonnage+

Visiting superyachts 500 tonnes or more will need the services of a pilot when visiting ports in New Zealand. A pilotage exemption/accreditation can be attained for visiting Auckland.

Superyacht charter allowed

Visiting superyachts, that comply with Maritime New Zealand requirements, are welcome to charter. This is best arranged through a local superyacht agent, who will process the necessary paperwork with New Zealand Customs, Maritime New Zealand and the Inland Revenue Department.

Operational logistics for crew

Crew are not required to pay tax providing they are not present in New Zealand for more than 365 days in any two-year period and are not employed by a New Zealand resident/ New Zealand-controlled company.
